

# PROTASIS: An introduction

Evangelos Markatos  
*FORTH*

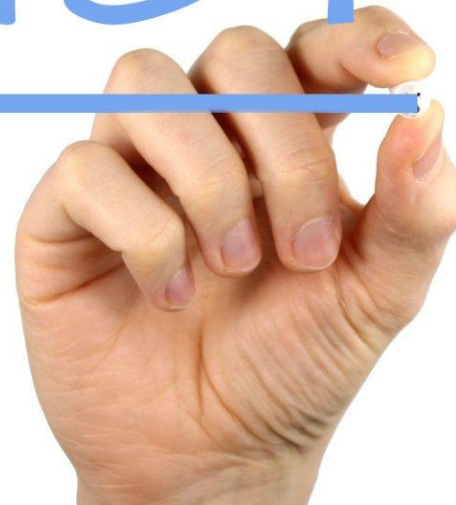

# PROTASIS

---

- Restoring Trust in the cyber space:
  - a Systems Security Proposal

TRUST

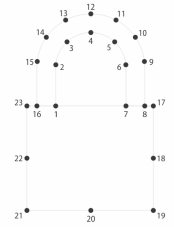

# What is it?

- A Marie Skłodowska-Curie Action
- RISE:
  - Research and Innovation Staff Exchange
  - **Exchange Staff** and PhD students
  - Between **Europe** and **US**

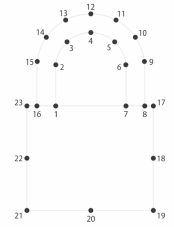

# Who? (Europe Side)

- Europe:
  - Academia
    - Vrije Universiteit
    - Poli Milano
    - Ruhr Bochum
    - FORTH
  - Industry
    - Telefonica
    - F-SECURE

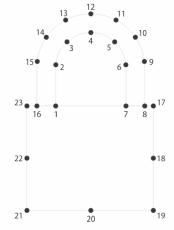

# Who? (US side)

- MIT, Columbia, UCSB, Stony Brook, Stevens, BU, Northeastern, UIC

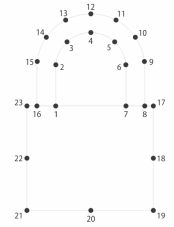

# What? Do Research on Security

- Cyberattacks
  - Malware
  - Exfiltration
  - Cyber-physical systems
- Defenses for the IoT
  - Securing Software
  - Embedded Devices

# What is next? Dagstuhl

**SCHLOSS DAGSTUHL**  
Leibniz-Zentrum für Informatik
